Refund Policy: There is no refund of Black Swamp Bird Observatory (BSBO) membership fees, or donations for any reason. No refunds for Biggest Week activities will be made after April 25, 2010 for any reason. Any cancellations prior to April 25, 2010 will receive a full refund minus a \$5.00 cancellation processing fee. The goal is to minimize the amount of empty seats on buses when there will be long waiting lists for many events. As some of the free events still require registration, we ask that in the event of a cancellation; email us at biggestweek@bsbo.org as soon as possible, allowing others to have the space. For events not requiring registration, no cancellation notice is required.

The staff will acknowledge all refund or change requests by email within five days of receipt. Refunds will be made within 4 to 6 weeks after the end of the festival.
